青年性生活衛生

爲是罪惡的，不應當禁，亦不應縱，而應當知道相當的節制，不要把性的事情看做了不起的東西；同時也不要看做不值一談的東西。

現 在先分三部份來
說，第一是個人
的性衛生，一個

青年人性教育的獲得應當小心一點。

淫是常被認為有害身體的，其實手淫是一種不好的習慣，然而與身體健康上並沒有特別影響。第二方面是社會性衛生，即婚姻問題家庭問題等。婚姻是必須基於戀愛的。戀愛是很平常的事情，是一種心理生理兼顧的情緒作用。要使婚姻健全，就是使相識到身體的接觸之間有一個長的時期，彼此相知得多一些。戀愛之發生，並不像一班人所說的是無條件的。在思想行動上必須合相當程度。

能發生戀愛，第三是優生學，也就是種族的性衛

生，受高等教育的人現在有一種風氣，是晚婚，我們應當提倡及時結婚，因為受高等教育的人應當多生子女使人種優良的份子多一些，要知道生四子的夫婦與生三子的夫婦於三百年後生四子者與生三子者為九三與七五之比！所以受高等教育者應當及時結婚並生相當數目的子女問題，一方面可以解決個人性的問題，一方面可以解決社會的性問題與種族的性問題。

虔誠，虔誠

「虔誠，虔誠」，從對岸上了橋管着驢的人在向我們遙呼了，「虔誠，虔誠」，和河神一同伺候行客的人也在對我們這樣說了，這才知道在新編辭典裏真的要加多一項註在「虔誠」下面，那就是「借光」。

慰，是勞者的自歌給苦力掙出了血汗，我們這些夜遊客呢？是平日爛熟的歌詞給帶着越過了高山野嶺了。

越過了一個山嶺，山下另一個『茶棚』又在眼前了，快點跑吧，他們又要了『無可奈何』了，我們每個人都想跳下去，只怕『娘』真的是照遠不照近。

是望山亭，在那裏就可以望見妙峯山頂的燈火，憑着茶棚侍者的指示，好容易在黑夜的天空裏見到了星星點點。

『打這裏去妙峯山還有多遠啊？』我們問着，渴望着有一個比實際路程較近的說謊來答覆，來安慰。

『三十里。』實際的路程報告出來了。我心裏恍的記起目蓮僧的『借問此去靈山路多少？八萬八千里有餘……』

鄙人因課務繁忙，早已退出學生自治會出版委員會廣告股股長之職，特此聲明。

「前進吧，趕快前進吧，要不然，我們就得天亮才到頂了！」每個人心裏都這樣想，腳步加速着，那管汗流浹背呢！

每到一個「茶棚」，最要緊的是打聽前途的遠近，其次便是打聽有沒有饅頭和鹹菜，爲的是糧食已給老李和馱役帶走，預期的第二天才吃早餐。路程的打聽，自然是越走越近，饅頭和鹹菜，却沒有了着落，只得空腹逛禪山了。

無可奈何？

西北洞燈會路招遠遠地給看見了，知道在這裏我們可以共享晚餐，大家腳步加快着。磬聲，合唱聲，也給聽到了，終於在暮色裏走到第一個「茶棚」。棚主竭誠地在招呼，在敬茶，每隔幾分鐘就來一個「合唱」。他們都牽着嗓子起勁的唱，還有茶棚前大聲洪亮的聲浪應和着神座前小聲清遠的音響，給人的感覺是融和的。可是，一看到唱者們的臉容，服裝，就會立刻把你拉回來現實的世界，眼前就繪上一幅「悲慘世界」，『無可奈何，無可奈何』，歌詞是聽不懂的，可是我卻像聽到了是有這麼一句。

此去靈山路多少

晚餐吃過了，每人的手

**Exhibition To Include Selection Of
Rare Books, Librarian Urges
Community Cooperation**

Among the features for June 24, Alumni Home Coming Day and Dr. J.L. Stuart's 60th Birthday Anniversary, will be the annual exhibition of various publications of the University Library. It is reliably reported from Mr. Tien Hung-tu, librarian of the University, that this year's exhibition will include a selection of rare books owned by the Yenching Library.

It is also reported that the publications of the University and works of faculty members, graduates and students, will probably not be shown this year because they have been exhibited before, but will be re-exhibited if demanded.

Mr. Tien also urges the co-operation of the Yenching Community to make this exhibition more complete and successful than previous ones and states that the library would be grateful of any temporary donations of published works which are not yet known to the Yenching Community, books, reprints or articles published in periodicals and newspapers would be gladly received. All donations for the exhibit will be returned immediately after the exhibition.

Girls' Athletic Exhibition Will Be Held on June 24

A series of athletic displays both indoor and outdoor will be presented by the Yenching girls on June 24 starting from 2:15 p.m.

It is learned that a grand march will be given by all girls taking physical education. In addition, the girls will be requested to do something which they practise in their classes. The classes of Chinese boxing, dancing, and tumbling are going to give various exhibitions that afternoon in the Boyd Gymnasium. As to the outdoor exercises, tournaments and games of archery, tennis, baseball and volleyball will be held.

Miss Anna May Wong, noted Chinese screen and stage actress from Hollywood, will also be present. Yenta To Defend Baseball Championship On Saturday

On Saturday, May 30, 2:15 p.m. at the American Legation baseball field, Yenching's baseball team, consecutive champions of Peiping's 5-U Baseball League for several years, will defend its laurels against Fujen Catholic University in a final playoff game.

Due to the fact that only two teams are entered in the baseball league this year, Fujen and Yenching have already crossed bats twice this season, each winning a game. The first contest of the season which was played at the Catholics' home-ground, went to Fujen with Yenching holding the short end of score by one run. However, Yenching avenged the defeat 13-5 at the South Field last Saturday and regained another opportunity for this year's championship.

S.G.A. Mass Meeting Called For Tonight

**Will Protest Against Larger
Nippon Garrison; Tientsin
Students on Strike**

The Yenta Student Self-Government Association has decided to call a student mass meeting this evening at seven o'clock at the Bashford Auditorium to consider means of protesting against a larger Japanese garrison which is now pouring into North China at full speed. It is reported that students of Peiping will act in unison, and most probably a strike will be declared. Tientsin students have already called a three-day strike with demonstrations on streets and lectures. It is learned from reliable sources that Peiping authorities are taking steps to prevent student activities from taking shape.

Pet Birds Kept For Beauty, Song, And Amusement; Rugb Thinks Them Better Than Alarm Clock

"Pet birds may be divided into three main classes, those kept for their beauty, those for their song, and those for purposes of amusement", according to A. Douglas Rugb, student and lover of birds. "Under the first heading may come any birds which are beautifully coloured or beautifully formed. For example, parakeets are silent save for an occasional croak or two which at best can hardly be called "song", but vivid green, gray, or blue feathers and long tails make them a colourful addition to any room. Under the second heading, one may include canaries, thrushes, and Mongolian larks. In this part of the country, these are the most common songsters kept as pets. For amusement, you have the parrot and "pa ker" which may be trained to talk, chickadees which may be taught to do tricks, and hawks used for hunting."

Miss Janet Latimer has a yellowish-green, blue-beaked, long-tailed, hoarse-croaking bird which she thinks is a parakeet. "You see," she explained, "I think it's a parakeet, but I'm not sure. I don't know much about birds. Once, when I was ten years old, my brother gave me a bird for Christmas, but it died that night, and ever since, I haven't had much to do with pet birds. Why do I keep one now? Oh, because I decided to have a pet, and a bird seemed the only pet I could keep in the dormitory, so I just went and got a bird. How did I get it? Well, I just told my pet ricksha man I wanted a bird, so he kept pulling until we came to a street with some birds in it, somewhere outside Chienmen. I had sort of intended to get a black bird with a red throat, but I didn't see any, and

the canaries were sort of mangy, so I bought this. I thought it looked rather nice, and the storekeeper said it could sing. It can't sing; it only croaks once in a while. Still, I rather like it. I don't mean I like it, but well, you see, it's this way. This bird is my bird, but it isn't my bird, and it isn't the bird I bought. That one looked exactly like this, except that it had a white beak. I had had it (the white-beaked one, called Orlando) for about a week when I went to Tungchow. When I came back, Orlando was nowhere to be found. The next day, Orlando was in his cage again, but he had a blue beak, so he wasn't Orlando. Getting to the bottom of the mystery, Orlando had flown out of his cage and my room-mate had tried to put him back again. After chasing around for ages, she finally caught him by the tail, but he flew off again, leaving his tail behind him. She was scared stiff, but she had to catch him, and when she did, she took him into town and put him in hospital. They said it would take him about a month to grow a new tail, so she brought this one to keep me company until Orlando comes home. Dizzy is a nice bird." Miss Latimer finished proudly. "She's a real aristocrat. Just fancy, she's a five-dollar bird, while Orlando only cost three. But I'd like Orlando back, of course."

Mr. Rugb keeps canaries. "I imported some victrola records from Germany, records of really good canaries singing, and I use those to train mine. Not only do I train my birds; I observe them and try to know them as personalities. Each is different from the others. One is ambitious, one lazy, one bright, another dull and so on. They get to know me too. Why, last year, when we were living at the President's house, Pepys (named after Sir Samuel) flew out of the window. Mrs. Rugb saw his tail-feathers disappearing around the corner, and gave him up for good. Meanwhile, I was teaching in Sage Hall, reading "Julius Caesar" at the top of my voice. Suddenly, this little bird flew in, circled the room and settled on the window-sill to look at me. I looked at it, but before I had decided it was Pepys, my helpful students pounced on it, startled it, and it flew out of the window. It came in the other

Dormitory Deposit Due before June 6

Every woman student who is going to stay in Yenching next academic year is required to pay her five dollars' dormitory deposit not later than June 6, according to the information from the Dean's Office.

The dates for room-choosing are also announced: June 10 Wednesday, for next year's post-graduates and seniors; 11, juniors; and 12, sophomores. The hours for registration will begin at 4:15 p.m.

It is also decided that once a student has chosen her roommate and room, she will not be allowed to make any change.

window, went around the room, again settled down to look at me. Now, if it hadn't known my voice, it wouldn't have done that. Oh yes, I still have Pepys. He is now the proud father of several little "pepys".

Mr. Wang Shih-Hsiang tames hawks in his garden near the Yen Tung Yuan. "Any use? Of course they're useful. I have lots of fun hunting rabbits. You should see my white hawk. White hawks are very, very rare."

By way of an instructive finish, Mr. Rugb added, "You might make a note that birds are useful from an educational point of view. They train one's habits of regularity, because if you forget to feed them, they just die. Also, they (the singing ones) start singing at the crack of dawn. They're much more efficient and dependable than alarm clocks."
